Crossing Borders Language Immersion Summer Camp is designed to give children entering nursery through middle school a unique opportunity to spend their summer break having fun learning, or improving in a second, or third language. Students are grouped according to age, grade level and language proficiency.

Each Language Immersion Summer Camp schedule and details are described below under each language program and location.

Sessions run Monday through Friday, 9:00 a.m. to 12:00 p.m., or 9 a.m. to 3 p.m. During each session, students participate in morning language classes and afternoon activities centered on the session's specific theme. Beginner students will learn basic language skills to supplement the vocabulary linked to each theme. Students also take part in different types of outdoor activities, arts and cultural activities. Some of our afternoon indoor and/or outdoor activities will be taught in English, and may include drawing, painting, sculpture, crafts, drama, dance and music.
